ISCON GATHIYA

SINCE 2008

WHO WE ARE?

We serve the real taste of Kathiawadi snacks and you will only find them at all our branches. Our roots date back to 2008. We have multiple outlets across different districts. Our outlets are located in Ahmedabad, Gandhinagar and Vadodara. We started as a modest Gathiya place and today it stands as one of the most powerful snacking establishments in Gujarat.

Winter

Ideal opportunity to indulge in flavourful, hearty dishes that comfort the soul. By selecting seasonal ingredients, preparing robust meals, and presenting them elegantly, you can establish a memorable winter season replete with love, and togetherness.

Summer

Season of warmth, joy, and celebration. As the weather heats up, people often crave lighter, refreshing meals that feature fresh, vibrant produce. Summer offers plenty of opportunities to savour the season's flavours and bask in its beauty.

Rainy

A season that offers a chance to savour warm, comforting food while experimenting with bold flavour and spices. As the pitter-patter of raindrops fills the air, we crave warming, comforting meals that soothe the soul.

Autumn

Another season of transition, where nature transforms into a breath-taking array of colours, and our palates begin to crave heartier, comforting dishes. It's time to slow down, gather with friends and family, and relish the local delicacies.
